COMPANY PROFILE

We had been manufacturing and doing the export of various Saxophones since the year 1997, we are specializing in Alto, Tenor, Soprano, Baritone, Bass, etc and also the relative accessories. And what's more, the recent years, we have attracted the attention from some famous brands, to be one of their suppliers in China to manufacture some specified models for them.

The instruments that we are offering now are mainly for the Entry-Level Players, and also some models for Semi-Professional and Professional Players. You can easily find our instruments react quickly and flexible, comfortable to perform, special in humanizing design, usefulness and practicality, and durable for use.

Leather Ligatures For Saxophone Mouthpieces

LEATHER Ligature

This is a very nice quality after market Leather Ligature. It has a single screw adjustment and is supplied with it's own Black plastic Mouthpiece cap. The Ligature applies an even pressure along the length of the reed without over-tightening aiding in a free blowing feel to be achieved.

We have these Ligatures available for:
Alto Saxophone
Tenor Saxophone
Soprano Saxophone
Baritone Sax

Metal Liagure & Cap For Mouthpieces

We can Supply Metal Caps For The Saxophone Mouthpieces, Nickel Plated For Whom Would Like To Change Or Get Better Quality Mouthpiece Caps.

The Same Situation For the Ligature/Clip.

CORK GREASE

Cork Grease

Model: O04

Maintenance

- * Use cork grease on your saxophone as little as possible.
- When you do apply cork grease you will need to rub it into the cork.
- * When properly used, cork grease should allow you to assemble your saxophone without using excessive force.
